

Lindab Airy

Colour, form and function
for fresher air

Innovative air valve with unlimited opportunities

Design and function in perfect harmony

Give your living room, bathroom or bedroom a facelift and get a better indoor climate at the same time. Lindab Airy is a slim, effective air valve with unlimited opportunities and the lowest sound power level on the market.

Simply white, a happy splash of colour, wallpaper pattern or shiny stainless steel? Whatever look you choose, you will get a perfectly harmonized indoor climate with style.

This is Lindab Airy

- extends only 5–25 mm from the wall
- simple grip fastening
- snap on/off front
- suitable for supply and exhaust air
- suitable for wall and ceiling mounting
- can be fitted in existing systems
- five different front options

Install, adjust, done!

Lindab Airy fits all kinds of ventilation systems and suits both ceiling and wall installation. The smart fastening grip makes mounting quick. The airflow is easily adjusted with one simple action. Then you just click the front on. It's as simple as that!
